

PFAS Supplier Survey

We declare that all parts/materials supplied to IMI do (or do not) contain PFAS, as per list below.

- Please list all parts/materials supplied to IMI. If a part contains multiple PFAS, list one PFAS per line. Lines can be added to the table.

- If parts/materials do contain PFAS, indicate i) direct or indirect use, ii) name, iii) CAS Number, iv) approximate concentration in final part/material (if known)

- **direct** use: PFAS is present in final part/material

- **indirect use:** PFAS is used as part of manufacturing process, but not present in final part/material (for example process gases for plasma cleaning or etching, solvents, etc...)
