EU Data Act – Connected Product and Related Services Data Disclosure

This statement provides data-related information concerning the product listed below in the context of Regulation (EU) 2023/2854 (the Data Act), specifically regarding connected products characteristics and related services.

Product Name	Part Number
• Senza 5700G	ACPCC00002A
• Senza 5500GT	ACPCC00003A
• Senza 5500G Pro	ACPCC00006A
• Senza 5700G No OS	ACPCC00022A
• Senza AI 370	ACPCC00021A

1. Connectivity and Product Behavior

The product includes standard connectivity interfaces (e.g. Wi-Fi, LAN, Bluetooth) to support user-initiated network acces. It does not contain any embedded features that autonomously collect, transmit, or process usage or environmental data.

2. Data Generation and Access

Any data generated or shared through this product is initiated and managed by the end-user. The product does not restrict access to locally stored data, nor does it include proprietary services or mechanisms that process data externally.

3. Operating System and Software

The product is distributed with Microsoft Windows as the default operating system. Any data-related activity, including telemetry, diagnostics, cloud access or usage data, is governed by Microsoft's privacy and data handling policies. **ARCTIC (HK) Ltd. does not control or determine the data collected by third-party operating system.**

No additional software or services are bundled that collect or transmit user data beyond the operating system's scope.

4. Disclosure Purpose

This disclosure is provided to support transparency for customers, partners, and regulatory stakeholders regarding the product's data-related characteristics. It may be used for pre-contractual documentation, compliance reviews, or internal assurance.

Hong Kong, September 1, 2025
